Folks,

Several of you have expressed interest since we've started adding banner ads for the groups which participate in Live Investigations. For those groups who are not currently participants of Live Investigations, or other Members who own commercial ventures who would like to Advertise via the Banners on Ghosts & Haunts. Here are a few steps to follow.

Step #1:

You'll want to create an ad in PNG, JPG, or Flash media format which is one of two sizes. Currently we only support ads which are either 250 pixels wide by 250 pixels high for the front page box position. We also accept banner ads which are 468 pixels wide by 60 pixels high for the standard banner ads on the top of the pages. You'll need to create a graphic of that size. Alternately our parent company which does web development can create an Ad for you. Simply contact
