First off I want to thank all the individuals and groups who have embraced this site as their home. We welcome you and are very grateful for your being here. I hope we can all grow the community together and mold it into he biggest Paranormal union of individuals we've seen.

I've recently been asked by several individuals if we have a banner that we can give out to put on various sites. And the answer is yes we sure do. I'm attaching our standard ad banner to this message.

Please feel free to fly it on your webpage, blog, or other internet site. IF you do please make sure to point the "clicks" to www.ghostsnhaunts.com/
