LOOKING FOR RESEARCH GOUP TO JOIN UP WITH

Posted by na farrwo - 20 Dec 2011 05:22

_____

Hello everyone I live in Magnolia Arkansas and I am looking for a research group to join up with once I finish up with treatment for beast cancer. Is there any groups who would welcome a new member. After all I have been through I want to start living my dreams. My number one dream is to become a a ghost researcher if anyone out there has a ghost research group around Magnolia Arkansas who could use another member please email me at
