Class A evp cought
Posted by ghostman50 - 04 Apr 2012 19:59

_____

cought this evp bf leaving for work this morning it wss storming really bad this is one of the best evps cought in this home would remind everyone there was a little girl murdered in this home its a very clear evp no one else was in the home and i didnot use anykind of software to enhance the sound this is a class A EVP

_____

its sounds like a doll, but i feel a girl. maybe her favorite doll

_____

wow great catch sounds like a baby asking for her mama

_____

It really does sound like a small girl or some kind of talking doll.

_____

reminds me of a doll at an investigation in England... creeps me out lol, but very clear!
