EVP captured in our house

_____

Finally got some good headphones. Going through some old EVP sessions in our house I came across these. I know what I and my wife hear, I'd like to hear from others as to what they think is being said.

_____

First one sounds like "I coming right for you player"

Second on is more difficult "bet I'm coming" but after that its difficult to hear.

_____

We hear on the first one:

I'm havin bread and butter

The second, towards the end we hear the word

Animal

Thanks, I'll have to listen to the 2nd one again. Maybe pull out the original for another listen. My old ears aren't what they used to be so I may have missed something.

Becky I'm trying to thank you as I did the others but I keep getting

Database Error: Unable to connect to the database:Could not connect to MySQL

only when thanking you. So I'll just post, Thanks.
