Bobby Mackeys Randall EVP

Posted by dipsparanormal - 03 Feb 2013 21:02

_____

Full sentence captured at Bobby Mackeys. We can only make out the name Randall who was the famous dancer Johannas boyfriend who was murdered by Johannas father. Any suggestions on what the rest of the sentence may say?

_____

In a way, to me it kind of sounds like "Randall, knock it off" but don't quote me on that. Great catch!
