WAVERLY HILLS!!!!!!!

This still gives me chills! it is a female child giving us a warning

Here is what i get

"be good to me or you'll feel my ugly wrath"

Even my son said that was creepy. Especial when I told him it was just you two and no kids.

This is certainly creepy. I love this one. You can hear the faint echoes in the voice. You can even hear a bit of a whispey sound in parts of it. Very impressive. And sounds as real as it gets.
