Evp from the pensacola Lighthouse june 2011

Posted by drmrboy1974 - 29 Jun 2011 02:39

_____

I have been visiting the pensacola lighthouse for sometime now and have gotten several evp's using my digital voice recorder..I have enhanced audio so you can clearly hear what the spirits were saying...

Wow, sounds really sinister. You can be the voice of a girl maybe? I liked it. Do you have a photo of the lighthouse? My those places I've always been very interesting.
