A parting message from my father...

_____

On the morning of my dad's funeral in Naperville, IL, January 27, 2008, at 6:32am (the time stamp on the file indicated on my phone), this voice file was mysteriously left on my phone while I was sleeping. The phone was laying on the nightstand next to me. It was the voice of my father, which I believe says, "Pray for me, I ain't comin' back."
