Another Brothels EVP in Deadwood, SD

This EVP was also captured at the former Brothels in Deadwood, SD. This was a recorder carried with investigators. You can hear them walking(creaking and footsteps). There is a male voice that comes through. What we make out is this “Last chance, get your….mumbles”. It almost sounds like the end says something about “Hurdie”. Upon researching, Hurdie Gurdies were female entertainers of yesteryear. A neat clip and interesting how it seems to fade away.
