Former Brothels in Deadwood produce another EVP

Posted by BHPI Josh - 01 Nov 2011 17:10

This EVP is another capture from the former Brothels in Deadwood, SD. This is a female voice that just sounds like it's rambling. There is one word in there that we can really pick up on. It's not a very politically correct word. The voice is almost southern and none of us have southern accents. An odd EVP and certainly a head scratcher.
