EVP from residence in Rapid City, SD

This EVP comes from a private residence in western Rapid City, SD. This location is where the wires moving video I posted came from as well. Two investigators were present, Mark R. and Mo. Mo asks “anybody in here yet?” You hear a whisper that we think says “No, Mark and Mo.” Then Mo felt a charged cold spot he walked through and asked “Was that you I just walked through?” This is not the first time Mo has had his name called in EVP form. Here’s the link to the video as well in case you want to see that as well: www.ghostsnhaunts.com/forum/ghostly-vide...ng-on-their-own.html

Interesting one. Can't quite grasp it's response but definitely something there
