

Jail House Museum

Posted by DementedWarlok - 19 Feb 2011 19:58

I am going on a ghost hunt tonight at a local haunted historic building. I know very little about the building so I cannot tell you much. Any evidence I come across will be posted in this forum!

One thing I'd ask, when you get an investigation next time. Post it on our calendar as soon as you know about it. So our members can follow you. Great work guy!
