Ghost Cams Wanted

Posted by crystalcross - 04 May 2011 01:58

_____

NEEDED 5-8 individuals wanting to host a GhostCam for at least 8-24hrs a day.

We're looking for several individual willing to host a GhostCam from their home or office location. The following are requirements:

- Computer or Laptop capable of browsing to a web page and running a flash application to upload live video streams.
- A low light or no light capable webcam.
- 8-24 hrs a day to leave this system running with internet access
- A location with known and fairly frequent paranormal activity.

If you have all these factors, please let us know and we'll set up a special webpage to host your Ghost Cam on this site.
