hi I don't think I got to meet u in the chat room last night but I am trying to find out a few things maybe you can help. First I would like to strenghten my ability I am a sensative and have been since for I can remember, but I need guidence on perfecting it, also i am looking for a reading on my live and someone I

lost. They came to me in a dream and I could not make out what they were trying to say, most of my dreams are connections that is how I am approached most of the time by spirits or forseeing things, can you help me?

_____

Hey cc,

I do have an online metaphysical store and would be very interested in finding out prices on ads.
