Rude awakening...

I went to bed late @ dead time this morning..after working on my jewelry. By then, my mind was drained n tired. Soon as I hit the bed, I was already dozing off until i was awaken by 'bunch of people talking'. One of them sound like one of my Chinese girlfriend, Amy, whom we went out earlier in the day. I recognized her voice right away .. but whatever she said doesn't make sense to me.

I shuddered it off n tried to go back to sleep again 'cos I was very tired. That voice came back again and this time i hear more voices in the background. And this time the voices gets louder and louder to the point like it's talking out loud right into my ears. By this time, I was pissed. Tried to open my eyes and speak out loud but my eyelid won't open (but i can feel my eyes moving left & right through the bottom of my eye-lashes. Also, I know I tried to speak and can only hear my whimpering words here and there). I couldn't even voice out loud enough to call for my boyfriend who is a very light sleeper.

By then I know i was spiritually harrassed by some annoying spirit. I assertively told those spirits to bug off and leave me alone. Of cos.. This time I can feel that I am spiritually drained and weakend (I can feel my aura's is not strong or bright). I broke free from this spirit twiddling tumb and went to grab a blessed cross and started to pray to our heavenly father 3x asking for his protection along with Hail Mary 3x as well.

My girlfriend, beth has gifted me a green baby dragon two nights ago, I called for my Loong-Yi to come and help me to chase that spirit away.. few seconds of my calling, I can feel my baby dragon swirl around my presence. I was actually worried that it's still a baby so i don't know if that spirit will attack my dragon.. nevertheless i continued to pray for God's assistance.

Less than 2-3mins.. I felt warmth, fearless and I felt my auras is back to normal. I know my prayers has been answered and my Lonng-Yi has won his first battle!.. *so so blessed*

Well.. this is my first encounter with an annoying spirit.. They may try to intimidate and weaken me.. I will not let them hurt me anymore... My baby dragon will be one tough warrior as times goes by!!

God has always been good to us all!~ Amen!

Awsome Mag, sounds like you handled this very well. Thanks to Beth and her dragon and you beliefs it was a victory for you. They can be very pestering at times and hard to get rid of so build the dragon up nice and strong.
