Happy Sunday!! I was just sitting here and looking at my son Justins facebook page and going through his photos of him and he is gonna be 15 this month -he is the love of my life and His father is not in his life and has not been for just about 14 yrs now because he chose to leave us for my best friend well anyhow I was wondering if he ever thinks of Justin or maybe even checks out his facebook page without anyone knowing .. sighh.. I am just thinking about this ,this morning so if anyone could help me out I would appreciate it very much .. Thanks xoxo

I added a photo of my son however I am not sure if I did it right!
