hi I just want to apoligize for my actions. I am so sorry. I have stated that in the wrong manor. The jail does not want pictures or video taken of the grafitti on the walls that is their main concern. I am sorry if i made anyone mad or offended anyone. I love this comunity and everyone on it weither our opionions are the same or different. I hope all of you that read this thread will accept my apology. Ghost N Haunts ROCKS! I love this place

Sorry
