Good morning!

As many of you may know we started the first edition of "G&H Radio" yesterday, and I'm looking forward to many more editions. As the work load is starting to get increasingly larger, we will be looking for one or more individuals who would like to create the Ghost Radio editions. Details and requirements as follows:

Requirements:

Good speaking voice, clear and understandable.

Good quality microphone or headset with microphone.

Computer with sound card and recording capabilities.

High speed Internet Provider.

Windows Platform that can run SIP Phone or Software Phone.

A few hours each week.

Benefits:

Until we make money at this , 0$.

My undying (perhaps a bad phrase in the paranormal field) gratitude.

Fame and Fortune (ok, well at least my undying gratitude, see above)

Job Duties:

Phone Interviews

Record Audio Shows every few days

Record News and Announcements

Follow Script out line to produce show

If you're interested please take the script below and record a sample news annoucement and E-Mail it to
