Copper Queen Hotel in Bisbee AZ

Posted by ParanormalEXP.com - 17 Jan 2012 21:05

_____

We recently visited the Copper Queen Hotel in Old Bisbee, AZ and had the opportunity to talk to and interview an employee that works the night shift at the front desk. Stephen shared with us some of his thoughts and experiences during his time working there.

Have any of you investigated there? If so, what have you captured?
