Nancy from CA needs help...This is one of several pictures of what appears to be ectoplasm sent to us from Nancy in Chowchilla, CA.

Here is whats going on in her own words:

"I live on five acre property in the country.In Chowchilla ca.We bought this property 16 years ago and just recently we have had some weird stuff going on.My mom and mother in law live on the property with us.They both have been hearing knocking sounds and some strange noises around the house.There is a old house on the property we use for storage.One morning approximately 3:41 am my dog woke me up barking like crazy.So I went out with my digital camera and started snapping pictures.I have a Fuji film f650 6 mega pixel.When I snapped them I saw nothing,then i came in and checked on my computer.This is what I saw"

Nancy is looking for an experienced Paranormal group in her area that would be willing to connect with her and help her out. Her email is

Good luck, Nancy! Definitely an interesting photo and getting the vibe that this is the kind of place I would love. That usually means it's haunted lol.
