_____

My team did their investigation on Friday March 30th, 2012.

There were ONLY 2 investigators walking the grounds, and they were side by side.. this is what they got

On the 31st while my team was leading a "Public hunt, one of our guests recorded
http://http://www.facebook.com/photo.php?v=3586875639730

cannot await the Audio review.
