|---|
| My team did their investigation on Friday March 30th, 2012. |
| There were ONLY 2 investigators walking the grounds, and they were side by side this is what they go |
| On the 31st while my team was leading a "Public hunt, one of our guests recorded http://http://www.facebook.com/photo.php?v=3586875639730 |
| cannot await the Audio review. |
