pixies, fairies, paranormal, sprites... kinda evil but not, chaotic for sure, nothing good out of this, especially in that number, get rid of the red colour it scares me but yeah, they will be messing about destroying electronics, I'd say gremlin if I knew they weren't too small but coming out into open so close. BAD SIGN. Not sure about it tho seemed playful. Take some prayers before going to bed and soke in table salt bath, use stone salt for bath, three spoons, like big ones should do, gonna cleanse your mind, soul and scruple of anything bad and or fowl. So yeah keep safe and leave those alone - nothing but trouble they are.
