Carney Cemetary - June 2011

Posted by SVPR08 - 13 Nov 2011 05:26

_____

Our team caught this on camera during an EVP session in a very rural cemetary. There were no flashlites in use, no moonlight, and no one was smoking.

_____

Can you upload the whole picture to the Photo album areas. Would love to see EXIF data, and the entire picture. Looks great from just this chunk.
