I don't know Mike, why didn't you go into the room, thats the only way to really help the girl, maybe she would have followed you out, you didn't help her at all when she supposedly moved the ball, being scared of the evel entity doesn't help your cause of helping the girl, at least smudge the room and spread holy water, I personaly think young children go to heaven and don't hang out in dark rooms, you have a demond mimicing a child.
