_____

Folks, BHPI is proud to announce a Live Investigation Feed on Monday, November 4th. BHPI has been asked to come in and investigate the historic Bullock Hotel. The Bullock Hotel has been a staple in Deadwood, SD since its construction in 1895. The Hotel has been the center of many paranormal claims over the years. It was even featured in an episode of Unsolved Mysteries in 1992. More to come! Setting time for 11pm EST. I know it's a Monday, but it's the client request.
