Paranormal VBLOG - Spirits and Time (Episode#1)

Posted by crystalcross - 09 Jul 2013 13:13

_____

I'm going to start creating a short set of audio files, each about 5 minutes in length. Each one will cover a topic and will be open to discussion afterwards.

Please feel free to listen and discuss your thoughts.

Spirits and Time - Sitting #1

_____

What a great idea and you've just proven my point; you have a great radio voice.

There's no limit to where you can take this.

Well done.
