Paranormal VBLOG - Spirits and Time (Episode#1) Posted by crystalcross - 09 Jul 2013 13:13
I'm going to start creating a short set of audio files, each about 5 minutes in length. Each one will cove a topic and will be open to discussion afterwards.
Please feel free to listen and discuss your thoughts.
Spirits and Time - Sitting #1

What a great idea and you've just proven my point; you have a great radio voice.
There's no limit to where you can take this.
Well done.
