New Forum Category for NDE

Posted by crystalcross - 23 Jun 2012 14:23

Because there seems to be some interest lately in the subject, I've created a new forum category for NDE (Near Death Experiences).

If you have any personal NDE to share, please make sure you post them to this forum. Do not reply to this topic when you do, but rather create your own topic under the "NDE" category.
