A Name
Posted by mcprs - 27 Feb 2012 19:15

Is there anyone out there that can take just a name of someone that has passed away and tell me things about that person or contact that person? His name is Max Kupzyk

As for what he did in the war, there is a strong feeling towards the word ammo (short for ammunition I think)

_____

Ammunition could also be related to after the war...

_____

He worked at the Sunflower ammunition plant in Kansas after he moved here for a few years.
