New Changes to Accounts

First I want to thank everyone for starting to flock to the Sensitive's corner on G&H.

As this is becoming an active part of the site, I've made some changes to the accounts profiles to allow folks to identify themselves as sensitives. This will enable me to open up some sections for access to those who are sensitive and have special gifts.

Please take a moment to update your profile to indicate that you are a sensitive.

To do so, first click the "Profile" link in the main bar on the top.

Once your profile comes up, click on "Edit" and then "Update your Profle"

From there please select the "Paranormal" tab.

And finally change the "Sensitive" check-box to indicate whether you are a sensitive.

Once set, simply click "Update" button on the bottom.

Thank you very much for taking a few minutes to update your profile. Once enough people have selected the option, I will create some forums and areas for our sensitive members.

Thank you!
