Psychic advisor

Posted by undertaker1 - 28 Apr 2011 22:28

A friend of mine has started her own website. She is a psychic/medium,also a psychic advisor. She is also a team member of mine and has been doing this for 18 years. If you would like to know more about her and her site please visit her page at AnnetteBlake.weebly.com. She is a trusted friend and team member of mine and is looking to help others. Thank you all.
