alone in Michigan

Posted by kirlybab - 04 Jan 2012 14:17

_____

I just moved back recently to Roseville, MI, just East of Detroit. I am not far from Warren.

looking for a team that I can test out my abilities and learn from.

I am a sensitive and a Wiccan that knows how to open the gate for spirits to cross if they desire. I can't force them, but I can point the way.
