I'm coming

Story of the home is that 2 years ago a man was found murdered after he broke into his girlfriends house to attack her, supposedly he stabbed himself in the chest 3 times.

I will attach my clearest EVP's through out this thread.. I have about half a dozen from this 3.5 hour investigation)

Yes, we got an incredible amount of evps (all throughout the thread). It is a sad story. Unfortunately almost all the EVPS we got were from everyone BUT Donald.

Oh how I with I lived closer to that house. Thank you for sharing all of those wonderful EVP's with us. There are soooo many, its a rare find. I think I have said this, but that house would most likely Overwhelm me!!
