Fresh Meat for the Grinder

Hello everyone! My name is Jason and I'm living in the Kansas City area. I've been researching and studying the paranormal for quite awhile now, but have just started doing formal investigations last year.

I am also starting writing comics (mainly horror, action, and thriller) and going through school for physical therapy.

The crew from SPOOKS sent me over here to check out their live investigation tonight, so I'm looking forward to that while watching the UFC fights tonight at the same time, haha.
