New To All Of This
Posted by Chuckdaddy - 08 Mar 2011 02:45

Hello All,

I'm Chuck from Cincinnati Ohio. I'm fairly obsessed with all things paranormal. I grew up in a house that was active. Although I was frightened of the occurrences when little, but now I'm drawn to it.

I'm hoping to meet people hear and listen to their stories and gain insight. My goal is to start a local group that can meet on a regular basis.

So, please feel free to contact me. I'm genuinely interested in hearing from you.

Thanks

Well, welcome aboard! I'm sure you'll find some other enthusiasts on here. Maybe even some in your area as the site grows. Some of our members travel to go to paranormal investigations. So perhaps you can join some someday.

ChuckDaddy,

We're (Ghosts & Haunts) actually in Florida. We are based out of Melbourne, FL just off the beach. However, there are members on here from Indiana. I'm sure they'll answer you. I'm hoping that as we grow larger and larger we'll have members representing us in all states.

Hey Tracy,

Thanks for connecting. Looks like your group is scheduling tours. I may be interested in meeting up. Send me a list of dates and destinations.
