Welcome glad to have you here, as Leslie said if you have any questions we are glad to help. Just explore around get used to the site.

These forums are to post and reply s you see. Also have a quickchat in main forum type in the box located below the chat.

The top of the page also gives you the option to go to chatrooms as well. We are usually there most every night. There is gain just also media tab to view pictures and videos that people post for us too see. Again just ask if you are lost on anything. You can click the picture of someone and do a private message if you need to ask.
