_____

So just a quick introduction! I am 36 and currently live in the Houston Area. I grow up in Iowa. Had my first paranormal experience in the home I grew up in and had a few some of my friends homes also. I would like to get into actual investigations in order to deal with and put a better understanding to the experiences I had as a youth.

Welcome to GnH, osty!

There's a bunch of awesome and supportive people that come to this site, I hope you enjoy your time here and find what you seek.

Good luck!
