Special Happy Birthday to Maria

Posted by crystalcross - 03 Oct 2011 13:40

Just wanted to send a special Happy Birthday wish out to Maria.

She's been a great help and trusted member of Ghosts & Haunts investigations and a member of Matrix Paranormal Group. Hope you have a wonderful birthday my friend!

I would sing happy birthday to you but for fear of being mistaken for a banshee howl, I best not.

I'd sing Happy Birthday too Maria, but I might challenge the theory that the dead can't die more than once.
