A Look At Some Of Our Investigation Kit

Posted by techguy32 - 10 Oct 2011 18:08

_____

Here is a quick look at some of our kit and a bit about why we use it and what it does. This is just my personal kit that I use for investigations with Southern Paranormal UK (@SouthernParanor)

We are adding to it all the time and looking for new experimental kit to try. Just got two new 700TVL Hi-Res Zoom Cams for my DVR system this week. Lovely cams and great picture to.

Heres the vid ..
